DME's message

I am pleased to extend my wholehearted endorsement and support for the "Bhorer Alo" project, aimed at developing a comprehensive database of blood groups, contact information, and addresses within the Burdwan Municipality. The "Bhorer Alo" project is aimed to save lives and improve patient care outcomes by providing timely access to compatible blood.

As the Principal of Burdwan Medical College, I have personally reviewed the project's objectives, and I am confident in its potential to positively impact our community. This project aligns with the core values of compassion, empathy, and service to humanity that we hold dear at our institution. I extend my appreciation to the project team for their dedication and commitment to this noble cause.

I assure the project team of my full support, and I encourage all members of the Burdwan Medical College community to actively participate in this initiative. By sharing our expertise, resources, and knowledge, we can contribute to the success of the "Bhorer Alo" project and help save lives in times of need.

Wishing you all the best in this noble endeavor.

**Dr. Kaustav Nayek
Director Of Medical Education (DME)
Health & Family Welfare Department, Govt. of West Bengal**

Student representative's message

বর্ধমান মেডিকেল কলেজের ছাত্র ইউনিয়নের পক্ষ থেকে, আমি "ভোরের আলো" প্রকল্পের জন্য আমাদের আন্তরিক সমর্থন জানাচ্ছি। আমি বিশ্বাস করি যে এই উদ্যোগটি আমাদের সহানুভূতি, সেবা এবং সামাজিক দায়বদ্ধতার মূল মূল্যবোধের সাথে পুরোপুরি সামঞ্জস্যপূর্ণ, এবং আমরা এই মহৎ প্রচেষ্টার অংশ হতে পেরে উৎসাহিত।

ডাক্তারি পড়ুয়া হিসেবে, জরুরি পরিস্থিতিতে উপযোগী রক্তের সময়মত খুঁজে পাওয়ার গুরুত্ব আমরা ভালোভাবে বুঝি। দ্রুততার সাথে উপযুক্ত রক্তদাতা খুঁজে বের করার ক্ষেত্রে যা যা সমস্যার সম্মুখীন হতে হয় তা আমরা স্বচক্ষে প্রত্যক্ষ করেছি। "ভোরের আলো" প্রকল্পটি এই সমস্যাটির সমাধানের সাথে বর্ধমান পৌরসভাকেন্দ্রিক জরুরি রক্ত সংগ্রহের প্রচেষ্টাকে সুগম করার জন্য একটি অত্যন্ত গুরুত্বপূর্ণ পদক্ষেপ।

রক্তদাতাদের তথ্যযুক্ত একটি বৃহৎ ডাটাবেসের গুরুত্ব অনস্বীকার্য। কারণ এটি রক্তদাতাদের চিহ্নিত করার প্রক্রিয়াকে ত্বরান্বিত করবে এবং জরুরী প্রয়োজনের সময়ে তাদের সাথে দ্রুত যোগাযোগ স্থাপন করতে সাহায্য করবে। আমরা নিশ্চিত যে আমাদের সম্মিলিত প্রচেষ্টা আমাদের মেডিকেল কলেজ সম্প্রদায়ের মধ্যে এবং এর বাইরেও একটি ইতিবাচক প্রভাব ফেলবে।

ছাত্র ইউনিয়ন হিসেবে আমরা "ভোরের আলো" প্রকল্প বাস্তবায়নে আমাদের পূর্ণ সমর্থন ও সহযোগিতার অঙ্গীকার করছি। আমরা রোগীদের জীবনে জরুরি সময়ে পাশে দাড়াতে আমাদের প্রতিশ্রুতিতে ঐক্যবদ্ধ হয়েছি, এবং আমরা এই উদ্যোগের ইতিবাচক প্রভাব প্রত্যক্ষ করার জন্য উদগ্রীব।

এই প্রকল্পের জন্য অনেক শুভকামনা।

অমলেন্দু দাস
MBBS Intern
Students' Representative
Burdwan Medical College and Hospital

The project "BHORER ALO" aims to develop a comprehensive database of blood groups, contact information, addresses, and consent within the Burdwan municipality. With the institutional backing of BURDWAN MEDICAL COLLEGE, we are confident that this initiative will bring some positive changes.

The importance of timely access to compatible blood cannot be ignored. In critical medical situations, a few minutes can make all the difference between life and death. Recognizing this pressing need, this project emerges as a beacon of hope, aiming to bridge the gap between blood donors and patients in need.

It is our fervent hope that this project will not only enhance emergency response efforts but also foster a culture of voluntary blood donation and social responsibility.

With sincere gratitude and unwavering resolve,

The "BHORER ALO" Team

HOW TO USE THE QR CODES

1. **Prepare your device:** Ensure that you have a smartphone or tablet with a camera and an internet connection.
2. **Download a QR code scanner:** Go to your device's app store (e.g., Google Play Store or Apple App Store) and search for a QR code scanner. Install a QR Scanner app, preferably with good ratings from the search page.
3. **Launch the QR code scanner app:** Locate the newly installed app on your device's home screen and tap on it to launch.
4. **Please grant necessary permissions:** When prompted, you can give the app permission to access your camera. This step is crucial as it allows the app to scan QR codes effectively.
5. **Position the QR code:** Hold your device steadily and position the QR code within the camera frame. Ensure that the QR code is visible and well-lit. Most QR code scanner apps will automatically recognize and focus on the code.
6. **Scan the QR code:** Allow the app a few moments to scan the QR code. You may hear a beep or feel a slight vibration when the scanning process is complete.
7. **You can just click on the redirected website:** Once the QR code is successfully scanned, the app will automatically redirect you to the Google Sheet URL. The Google Sheet will open in your device's web browser, allowing you to view the database as needed.

BLOOD GROUPS

1 A POSITIVE

The database is maintained by team Bhorer Alo. However, the database is exclusively present with the following as the database has been created in accordance with strict regulatory standards, ensuring that robust privacy and security measures safeguard personal information:

1. Principal's office, Burdwan Medical College and Hospital
2. MSVP's office, Burdwan Medical College and Hospital
3. Student representative's office, Burdwan Medical College and Hospital
4. Principal's office, Burdwan Dental College and Hospital
5. Principal's office, Burdwan Homoeopathic Medical College, and Hospital
6. The Vice-Chancellor of the University of Burdwan
7. Principal's office, Government College of Nursing, Purba Burdwan
8. Blood Bank, Burdwan Medical College and Hospital

For any further queries, feel free to contact the "Bhorer Alo" core team.
